

Sean Kane Candidacy Statement

Why would you like to serve on the Board of Directors?

I would like to serve on the Board of Directors so that I can help build a community that our homeowners are proud of & engaged in.

Please list previous board position and/ or experience:

I have previously sat on the board for Quail Hollow during the prior period. I have co-founded and run The Honest Company, Hello Bello, and Smash Kitchen. I sit on the Board of Trustees at Loyola Marymount University, I am a CPA, an MBA from UCLA, and a Bachelor of Science in Accounting from LMU.

Issues you feel need to be addressed by the Board of Directors in your community:

As our community continues to transition from a land development to a community of finished homes, we need to continue to ensure that homeowner safety and builder adherence to construction guidelines and community policies are met. Further, for residents living in Quail Hollow, we need to create a sense of community and provide support for those residents by taking appropriate measures to build community, ensure safety, and continue to build Quail Hollow to be the pre-eminent neighborhood in the DFW area.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

No.

Anthony Abey **Candidacy Statement**

Why would you like to serve on the Board of Directors?

I believe that being a good neighbor is to actively participate in improving the overall community experience. As such, being part of the board is an important step in that commitment.

Please list previous board position and/ or experience:

I have been in various subcommittees in past HOA boards and have worked closely with the board officers to help improve the community experience. I have held various board positions outside of HOAs in both nonprofit and for profit organizations.

Issues you feel need to be addressed by the Board of Directors in your community:

Our community overall is relatively new. Getting to know all the neighbors and building friendships is an important step in bringing everyone together. To the extent the board promotes and sponsors more community events, that would help accelerate the sense of community and closeness for all that live in Quail Hollow.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

No.
